

OFFICIAL MEMBERSHIP FORM

*- Join the Association and Help Strengthen
Onteora Scout Reservation -*

- The Onteora Alumni Association (OAA) was established in 2001 to strengthen the programs and facilities of Onteora Scout Reservation. All who have ever called Onteora home are welcome to join the association.
- In more than a decade of service, the association has benefited Onteora by:
 - ⇒ Providing financial support for camp programs and capital projects;
 - ⇒ Organizing work weekends to improve camp facilities and provide social opportunities for members; and
 - ⇒ Helping the currently active Onteora Staff provide a quality Scouting program to troops and crews.

Membership contributions structure:

- The OAA has an annual contributions structure. In any year that you make a contribution to help support Onteora, you are a member of the OAA for that year and receive a commemorative patch as a thank you for continuing to support Onteora. You can become a member at any time of the year.
- If you become a member by Aug. 1, you can cast votes for the upcoming OAA Executive Board and at the annual meeting conducted during the Onteora Alumni Reunion Weekend, held at Onteora in September.

Membership Categories	Annual Contribution Level
