O.S.R. weekend wrapup

On September 25th, two hundred eighty-five Brothers and candidates gathered at OSR for a weekend of work, fellowship, and fun. The buses arrived at 10:35 with all eager to get the weekend under way.

Saturday morning brought sunshine, and the service projects, under the direction of Bob Sedock, got started. About twenty projects, which included repairing seats at the amphitheater then tearing up the seats and bringing them to the three chapels; shelves were put into two stalls and the feed room in the Barn; a large addition was put onto the Barn to be used as a saw room; and a lot of telephone and electrical work were finished by five.

Dear Member of the Buckskin,

The Lodge year is well under way, and now is the recruiting time for those who want to get involved in the wide spectrum of Lodge activities. The majority of the Lodge's operating committees are presently in full swing. They all need the effort and cooperation that you can provide as part of the Lodge. If you know that you are going to be active in the Lodge this year and want to start working right now, then proceed directly to the committees I have listed below.

If you are uncertain as to whether you should join a committee due to lack of time, let me clear up any doubts you may have concerning the Lodge's activities. You may be trying to compare the Lodge's activities to those extracurricular activities at school. Don't. In school, a club or a sports team has only a few members and each member must be highly active in the group to ensure the success of that group. Buckskin Lodge is different; it literally has thousands of members, and if each did just one simple task for one single committee, ideally the Lodge could become a powerful machine of perfection. Will you do that simple task, or at least that much? I'm sure you can find the time, no matter what your other plans may be. Be as active as you like--there's no limit!!!

And if you have had the experience in the past of signing up for a committee and then never being contacted by the chairman, don't let this deter you from signing up again. If you should join a committee and hear nothing but silence for a while, break the ice and call the chairman. Tell him you signed up for his committee; tell him you want a job to do; ask him what his plans are for using you as a member of his committee. Why should you have to call the chairman? You shouldn't, but the chairman just may forget to call you; also don't forget, you want to be active.

ACTIVITIES-- A ski trip and hootenany are among the "out-of-the-ordinary" activities coming up this year. Call the chairman for details and offer your services.

BANQUET-- The Lodge Banquet is December 30th. Brothers will be needed to help send out tickets, make final arrangements, and set up committee displays at the Banquet.

BUCKSKIN TAB-- Like to write stories about Lodge events? Like to type? Like to take photographs? Call the TAB editor.

CAMP PROMOTIONS-- This committee needs several Brothers to run the Camp Promotions slide shows of Onteora and Wauwepex to promote summer camping in Nassau. It also must publish a "Where To Go Camping" book for Scoutmasters by December. The time to volunteer for this committee is now.

DANCE TEAM-- If you like to dance Indian style, then sign up for this committee. The Dance Team puts on several shows a year at troop meetings and special events throughout Nassau.

HISTORICAL-- The Historical Committee must make reports of Lodge activities during the year. It also must write a year end history to be printed in the June TAB, and it needs photographs of the year's events for the pictorial review in that issue.

HOME TROOP ELECTIONS-- If you would like to run OA elections in units around your area, then join this committee. It also needs district chairman to supervise elections in each district.

INTER-RELATIONS-- Volunteer your services as a unit representative, and then get the Brothers in your unit involved in the Lodge's activities. You do this by signing them up for the Banquet, Harkness Work Days, work weekends, and the like.

HELP-- If you would like to get this newsletter in the mail on time join this committee and help with the monthly mailings. The TAB mailing list is well over three thousand, and with the amount of newspapers like this, there is much you can do to speed up the mailing preparations.

MEMBERSHIP-- The updating of the Lodge's membership files requires much time, and the more Brothers that volunteer for the job, the faster it is going to get done.

After looking over this brief description of what some of the committees are doing at present, I sincerely hope that you will not hesitate to offer your services as a member of the Buckskin Lodge. Remember that the effectiveness of a Lodge is a measurement of the co operation among its members.

Yours in W.W.W.,
Tom Reinhart
Netami Sakima

from the EDITOR'S DESK

The Lodge year is well under way with the OSR Weekend now only a memory. The work that was accomplished was phenomenal. If we are to continue as a first rate Lodge then we had better start working. Brothers are continually being urged to join committees. There are over twenty operating committees in the Lodge; each one of them needs Brothers to help. All you have to do is pick up the phone or write a letter to the chairman of your choice. The entire list of Executive Committee members is listed on page 6 of this issue of the TAB.

CONCLAVE

A GREAT SUCCESS

Friday, September 11, 1970, saw the opening of the Area 2J Conclave. This year it was held at Suffolk County Council's Camp Baiting Hollow. It was attended by about 350 delegates from the seven lodges in the New York City-Long Island area.

Due to heavy traffic on Friday night, the conclave did not officially open until 10 PM. After the welcome and Hootenany, the Brothers from Buckskin Lodge attacked the enormous task of labeling and packaging the September TAB. Thanks to the help of many Brothers it took only about 1 1/2 hours. Most delegates got to bed by 2 AM.

Saturday started early at 8 AM. After a general session of all delegates we were escorted to the first of three discussion groups. Subjects for discussion were: The Boy and the Adult Working Together, Camp Promotions, Ordeals and Elections, Meaningful Service Projects, and Lodge Administration. After the discussion group, we had a little time to get back to the Dining Hall for lunch. After a quick lunch we were audience to an ex-drug addict who told us of his experience and how he finally kicked his habit. Following this informative lecture all delegates attended a second discussion group.

At 4:15, the OA Olympics started (which Buckskin won), but many delegates were already pre-occupied with patch trading. A delicious dinner was next on the schedule with a pie eating contest immediately following (which Buckskin won). Shortly, following dinner, the Indian Dance Competition commenced (which Buckskin won). Due to a lack of time, the Ordeal and Brotherhood ceremonies had to be cancelled, however, the Vigil Ceremony was conducted, by Buckskin. It concluded actual callouts by Shinnecock Lodge. Capping off the night was a cracker barrel and more patch trading. The same delegates got to bed by 12 PM.

After an early breakfast and religious services on Sunday, the third and final discussion group was held. Shortly thereafter a report was given on the events and accomplishments of the weekend. Immediately after lunch the closing session was held, during which Bruce Berger from Shu-Shu-Gah Lodge in Brooklyn was crowned Area Chief for 1970-71.

Many thanks are given to the Brothers of the host lodge, Shinnecock. They served as waiters at all meals, as guides to the discussion groups, ran the Trading Post and manned the Camp Office. Also thanks to Elliot Klugman, past Area Chief, for his many hours of planning to make this year's Area 2J Conclave the success that it was. And finally we wish the best of luck to Bruce in this year to come.

---Alek Szecey

Another Arrow Takes Flight

It is with great pride and greater regret that Buckskin Lodge will temporarily lose the fellowship of one of its finest Brothers, Mike Kelly. Mike will be leaving for Air Force OCS in October, serving his country in the same distinguished manner that he has served his fellow man. No Brother can summon a greater record of achievements; Mike has served in many capacities on the Executive Committee since his induction in 1963. He has served on almost all the weekends and Conclaves during this time, vitally acting as 2J Chief in 67-68. He has served well on the Ontario Staff for the last six years and was significant in forming his Post eventually serving as Associate Advisor.

Our Vigil Brother will be sorely missed, and we look forward to his reunion with us upon termination of his commitment....We of the Vigil Committee speak for the Lodge in wishing you good luck, Mike.....

"MINDFUL NOW OF YOUR INTENTIONS"

BROTHERHOOD

Twenty years of Buckskin Lodge history has now passed. Our Lodge boasts a membership of over two thousand; it would be interesting to see how many of these Brothers could explain what the Brotherhood means in the Order of the Arrow.

When the Order of the Arrow was founded, fifty-five years ago, it was realized that some of the new Ordeal members would take their Obligation seriously, others would simply be passively aware of it, and some would never participate in Lodge activities again. It is to the first group that the Brotherhood can only be meaningful, for it is only they who sincerely pledged "to be unselfish in service and devotion to the welfare of others."

Then you repeated the Obligation it may have appeared that your obligation of service and devotion only applied to your Brothers in the Order. Concern for the welfare of others does not simply apply to our microcosm called Buckskin Lodge; instead, it spoke of a responsibility to all the peoples of the World, whether they be Black, White, Yellow, Red, Moslem, Jewish, Christian or any other group that our society finds convenient to label in some derogatory manner.

ORDER OF THE ARROW BULLETIN

The Order of the Arrow Bulletin is published quarterly. You may subscribe to it at the rate of 40¢ per year. Subscriptions should be sent to the National Secretary, Order of the Arrow, Boy Scouts of America, North Brunswick, NJ 08902.

20th ANNIVERSARY AWARDS

The awards will be given out ceremoniously at the Banquet.

LOST-- On the OSR weekend, an umbrella. If found, contact the Editor.

This is the second year in a row that Buckskin Lodge has won the pie-eating contest at the Area 2J Conference. Last year's team was Big John Giamanico and Alek Szecey. This year Big John and Scott Wood teamed up to take this year's contest. They were so enthused about winning that they vowed never again. The prize was something Buckskin will cherish forever; an apple pie.

(From the National Order of the Arrow Bulletin, Summer, 1970.)

Membership in the Order of the Arrow is strictly limited to registered male members of the Boy Scouts of America--girls and young women are not eligible, reports the National Order of the Arrow Committee.

Young women may now participate in local Exploring activities as "participants only"--and only then after meeting certain conditions as set up by the national Exploring Division. They are not registered members of the Boy Scouts of America; thus, they are not eligible for election into the Order.

If you were inducted prior to July 1970, and did not receive the August '70 TAB and wish to receive it: then send a self addressed business envelope with six cent postage to:

Activities....

Brotherhood.

The decision to seal your vows can come only from yourself. If you can truthfully say that you believe in the ideals of the Order of the Arrow, that it is a brotherhood of cheerful service, that to "love one another" is a philosophy by which you live, and not one you just preach, if these months or years you have spent as an Ordeal member you feel you are prepared for the Brotherhood, then it is your obligation to seal your vows.

Any Ordeal member who wishes to seal his vows should send me a post card with his Name, Address, Phone, District#, Troop or Post#, and time which you plan to seal your vows. Mail this information to:

Gabriel Gluck

This is the job of the Historical Committee to record and set down for future Brothers these happenings either as memories or as references. COMMITTEE REPORTS

B.S.A. Inter-Relations.

"The Inter-Relation" Committee intensifies the personal relationship between Buckskin Lodge and its members. It also promotes and discovers what the Lodge can do on a personal level to assist all Scouts and Explorers in Nassau County. These are the duties of the committee as stated in the Buckskin Lodge Handbook.

These objectives are accomplished by a system of unit OA members. There are six district representatives who are responsible for coordinating OA activities in their respective districts. In turn, there is a unit representative who coordinates these activities in his own unit. He is directly responsible to his District Representative and he helps to bring the Lodge closer to the home unit.

If you are a Scout or Explorer, talk with your Scoutmaster or Explorer Advisor about the position. It involves getting Arrowmen in your unit to attend Work Weekends and other Lodge functions, ordering Banquet tickets, and answering any questions about the OA (or referring them to your District Rep.) The job is not difficult, yet it serves both the Lodge and your unit in a big way. Think it over.

If you are a Scoutmaster or Post Advisor, please consider choosing an interested Brother for the job. A letter has been sent to all unit leaders concerning this. Included with the letter is a reply card to be returned by mail with the name of the chosen Unit Representative. The Lodge needs your cooperation so that every unit in Nassau County can have a Lodge Representative.

Chm: Bruce Philpott.....333-4237
Adv: Mr Carlos Kebe.....741-3722

Service....

It is your solemn pledge to give cheerful service. The Service Committee is in need of your help. District chairman and heads of special projects have to be chosen as well as head taskmasters; people in charge of projects; and Ordeal masters. These people to be chosen on all of the work weekends. Many other jobs are available. Call and volunteer your services now. Remember your pledge to work does not end at the Ordeal Ceremony, but rather it starts there.

Chm: Bob Sadock.....482-4066
Adv: Mr Ray Klaar.....352-8845

"Buckskin Tab."

The TAB Committee is responsible for this paper which you are reading right now. The task of putting this paper out is tremendous. Brothers are needed to type, write articles, and be layout men. If you want this very important function of the Lodge to continue as it has in the past then call the editor IMMEDIATELY. Don't forget VOLUNTEER YOUR SERVICES NOW!!!!

Ed.: Neil Getter.....221-7742
Adv: Mr Don Heiberg.....678-3554

Vigil.....

The incumbent Vigil Committee performed their first service at the Area 2J Conclave by performing the Vigil Ceremony through which two Brothers from Shinnecock Lodge were dutifully inducted. Mike Kelly played the role of the Allowat and Gary Wildung played the role of the guide. Special thanks are extended to Tom Dede, John Giammanco, Phill Clark, Don Heiberg, and Carlos Kebe for their vital part in the arrangements.

Vigil Nomination forms will be available at the Wauwepex Fall Weekend. Any Brothers who will not be attending the weekend, but do wish a nomination form should contact Vigil Chairman:

Gary Wildung
14 Ashford Pl.
Albertson, NY 11507

All nominees must have been active Brotherhood members for a period of at least Two Years.

SPECIAL NOTICE TO ALL VIGIL MEMBERS
Anyone who wishes to be a district chairman or advisor should call.

Chm: Gary Wildung.....741-4838
Adv: Mr Stan Rykowski.....741-7089

Orientation.

On the Onteora Fall Weekend, the Orientations Committee was instrumental in acquainting our new Brothers in the purposes and intentions of the Order of the Arrow, and Buckskin Lodge. The Orientation slide show is being revised.

The committee plans to have some kind of display for the Banquet and possibly a slide show. The new Handbook will be out as soon as the old book sells out, which will probably be at the Banquet.

Chm: Dave Blaushild.....433-6085
Adv: Mr Harold Snedeker....223-1866

Help.....

The Help Committee has a very important function in the Lodge. Its job is to mail all the Tabs and any other Lodge mailings. To mail three thousand, five hundred Tabs is an awful big job. The Tabs have to have the labels put onto them which is a tedious job. If you want to get your Tab on time then join this committee to insure that all the Tabs are mailed. CALL AND VOLUNTEER YOUR SERVICES.

Chm: Ted Allegra.....868-1315

District Representatives

DISTRICT ONE

I am the new District I Representative. If you have any question concerning the OA or any ideas that the Lodge can use, please call me after six. Also, if there are any projects that interested Brothers could get involved in (i.e. Port Washington Town Cleanup) please contact me.

Chm: Perry Rose.....883-9004

DISTRICT TWO

The function of my position on the Executive Committee is to maintain and improve the relation of the Lodge and the individual units. Therefore, if anyone in District II has a problem relating to the Order of the Arrow with which I may be of assistance feel free to call me.

Chm: Paul Becker.....735-8591

DISTRICT FOUR

In order to strengthen ties between the Lodge and home unit, the position of District Representatives had been created. Any unit in District IV who have any needs or problems get in touch with me and I will answer or channel your request.

Chm: Steve Azzaro.....799-7590

DUES ARE DUE SOON

There will be a new procedure in paying the 1971 dues. A form that will be in triplicate (it has carbon paper) and an envelope addressed to Bob Schlanger will be sent to you. All you have to do is fill out the form and send it back with one dollar. The forms are in the process of being made and should be mailed in a matter of weeks.

ONTEORA REPORT (cont.)

(CONT'D FROM PAGE 1 COL. 1)

That night, seventy candidates were inducted in a very impressive Ordeal ceremony, where Tom Reinhart was Allowat Sakima, Larry Starr as Meteu, Joe Bonadonna as Nutiket, and T. Ted Allegra was played by Kichkinet. The Brotherhood ceremony saw twenty-two Brothers seal their vows in a ceremony well done. The team consisted of Gabe Gluck as Allowat Sakima, Gary Wildung as Meteu, Bill Somerville as Nutiket, and Frank Ostaseski as Kichkinet. Following the feed the Activities Committee showed movies while the TAB Committee worked diligently on putting the paper to gether.

On Sunday, the Brothers awoke to a day of rain, but the rain didn't matter, because the day brightened, as Carlos Kebe, past Lodge Chief, ceremoniously installed Tom Reinhart as Lodge Chief at this years first Lodge Meeting. Following this lunch was served where upon the buses left at 1:30.

This weekend, coordinated by the Activities Chairman, Dave Brooks, was one that was very successful, not only because of the service that was done, but the fellowship that was felt by all who attended.
