

## Stoddard Hammond School for Boys.

Undoubtedly one of the best educational institutions for boys to be found in New York State is the Stoddard Hammond School, located at Orchard Lake, Livingston Manor, N. Y. The school is presided over by Mrs. Stoddard Hammond, who has had some 18 years of experience in teaching, and was for some time an instructor in the Binghamton High School. It would seem that no place could be found that would be more ideal for young boys, especially those not in the best physical condition, owing to the healthful location of the school. They not only have the benefit of a refined home, but pure air, the best of food, excellent instructions with close personal attention and a healthful out-of-door life.—Adv.
