

The Boy Scouts

The sixth, and next to last, council fire was held at Camp Wauwepex last Friday evening. The outstanding award was the presentation of Eagle Badges to Scouts Richard Muller of C edarhurst, Charles Werner of Malverne and Ed. M. Biggs of Garden City. Judge J. Dwight Rogers made the presentation speech, in which he traced the long ladder of advancements that these scouts had to pass through, in order to reach the highest goal in scouting—the Eagle rank. The mothers of the scouts were then requested to pin the badges on their sons.

Since this is the final week of camp, all the officers were presented with camp emblems, denoting the number of years that they have been at Wauwepex. A total of 82 merit badges, 13 rank advancements, and 11 activity letters were also presented to the scouts.
