Winter Camp
Nassau Council

As in past years the Nassau County Council will conduct Winter Camp at Camp Wauwepex, at Wading River. Scouts should begin to make plans for this winter event. The details have not been distributed as yet but it is probable that a larger number will be able to be accommodated than last year, as the camp facilities are even better than before. Skating, hiking and the winter study of trees will be a specialty to say nothing of the "good eats and real fun."
