

Scouts List Plans for Camp Wauwepex

Mineola — Under a plan established this year, Nassau Boy Scout troops will be able to reserve their favorite sites at Camp Wauwepex for summer vacations, it was announced today.

The Nassau Scout Council said it was making available three types of camping at Wauwepex. The first is troop camping under which ten or more scouts from the

same troop can select their own camp site under the leadership of their scoutmaster or approved leader.

Those who cannot attend with their own troop may join provisional camp troops which will be directed by a camp scoutmaster. A special outpost camp will be conducted for scouts who sign up for four weeks or more.
