

## Boy Scout Council Plans \$126,000 Drive in January

Mineola—The Nassau County Council, Boy Scouts of America, will launch its annual appeal for funds on Jan. 26, when a county-wide goal of \$126,000 will be sought. Part of this quota will be earmarked for Camp Wauwepex where extensive improvements for year-round camping facilities, are being planned.

There is an all-year demand for week end camping at Wauwepex, but the fall, winter and spring accommodations do not permit many troops to participate. The facilities are booked solid to April 1, because of limited winter accommodations.

Additional cabins and other buildings necessary for camping are needed at Wauwepex. The camping committee is particularly anxious to increase the cold-weather facilities as only 100 boys can spend the week ends there now.

In addition to regular contribu-

tions, the Nassau Council is willing to accept donations of suitable cabins. But the primary need is for funds to permit the extensive improvements considered vital to the scout program.

### LEGION TO DANCE

New Hyde Park—A Broadway name band will furnish music for the dance of Ernie Pyle Post, American Legion, in the Polish National hall, Saturday evening, Milton Manheimer, chairman, has announced.
