

## Appendix M - Records

In addition to titles directly based on Disney television programs, the following list of records also includes numerous performances by Disney television performers. This includes the Mouseketeers and others such as Cliff Edwards, whose career was revitalized by his work as Jiminy Cricket on The Mickey Mouse Club. Wherever possible, the recording artists are listed.

### Part 1 - Disneyland Record Company/Walt Disney Records

This first listing is of records issued by Disney on their various record labels, separated by type. Some titles were released in both mono and stereo versions.
